

2017 Windsor Village Association Candidates for Board of Directors

1. Ginger Tanner (current Board Member)

I have been a resident of Windsor Village for forty years and have seen many changes over the years. One of the wonderful things about this special neighborhood is the sense of community. I would like to see Windsor Village retain this sense of community and the quality of the neighborhood and environment.

To that end, I joined the Windsor Village Association Board two years ago and have served as secretary. This last year, I was also a member of the Block Party Committee. I would like to renew my term on the board to continue to work for the betterment of the community. Thank you for your consideration.

2. Julie Kim (current Board Member)

I have lived in Windsor Village about 20 years. Windsor Village is a like cozy hometown, with many beautiful historical houses, beautiful Harold Henry Park, and friendly neighbors.

During the Windsor Village Block Party in September, many Korean residents asked me to continuously stay as a board member to assist Korean-Americans in the neighborhood. (Koreans make up about a third of Windsor Village). WVA demonstrated "Good Teamwork" in organizing the Windsor Village Block Party in September and the Community Safety Meeting at the Ebell Theatre in April, and I appreciate all of WVA board members who sincerely care for our neighborhood.

Thank you and have nice day.

3. Mark Stevens

I respectfully place my name in nomination for WVA Board Member for the forthcoming sitting term. My wife and I have been residents of Windsor Village for twenty-seven years, and I have sat on previous boards. I believe in our neighborhood, its wonderful residents, and its unique setting among Los Angeles' multi-varied communities. I am an excellent listener and believe in teamwork and cooperation for accomplishing common goals for the benefit of our neighborhood and its residents. Thank you for your consideration.

4. Joe Russell

I've lived on Lucerne Blvd., here in Windsor Village, for seven years. My main reason for running is that I am very motivated and inspired to do everything I can to keep our neighborhood safe.

5. Susan Nickels

I am an 11-year resident of Windsor Village and live directly across from Harold A. Henry Park. I am a longtime volunteer through the University of California Cooperative Extension as a Master Gardener and Master Food Preserver. I also volunteer with Tree People and Slow Food L.A. as a Food Preservation Advisor. I teach food safety and food preservation methods throughout Los Angeles. I am fortunate to have a garden plot at Crenshaw Community Gardens where I grow food for family and neighbors.

Following a career in international film and TV distribution, I now work as a substitute school teacher for local middle and high schools. I really enjoy it. Exposure to our school system and interacting with students has been enlightening.

Locally I help with the annual homeless count, neighborhood block party and rescue stray dogs. I love our neighborhood and would be happy to be a part of our Neighborhood Association.

6. Betty Fox

As past Treasurer of the WVA from 2008-2016, I am "volunteering" to serve for one year, 2018, as Treasurer, due to a vacancy on the Board.*

Prior to the legal formation of the WVA in 2008, I served as Treasurer of the previous neighborhood organization, Windsor Village Community Association (WVCA), which morphed into the WVA.

I have lived in Windsor Village since 1969 and am not planning on moving away for a long, long time, if ever. Windsor Village is ideally located for my lifestyle and interests and I am a strong believer in the importance of maintaining a safe and comfortable community of diversity.

By returning to the Board in 2018, I look forward to continuing to help keep WVA well-funded. (For the past five years, I have been pursuing donations from the production companies filming within WVA borders.)

I live on Lucerne Blvd. and am retired from a longtime career in the marketing research industry.

*Vera Borges was elected to the WVA Board in 2016 and has been serving as Treasurer; however, she is unable to complete her two-year term. Betty Fox, who served as Treasurer for many years, has graciously volunteered to serve on the Board again as Treasurer to complete Vera's term. Since Vera's departure is so close to our current election, the WV Board decided it would be fairest to include her vacant seat in this election, which is why Betty is appearing as a candidate.
